

# TRON THEATRE

## Changing House

### Venue Information

In order to facilitate your forthcoming production here at the Tron please reference the following documents:

- Technical Information
- Technical Questionnaire
- Technical Specifications
- Lighting Rig Information
- Ground plans, sections and lighting rig plans

Documents available at <http://www.tron.co.uk/technical/spaces>

These documents combined, should provide all of the information you require for your visit and production period.

#### These should be distributed to your:

Production Manager  
Technical Manager  
Stage Management  
Designers

### Show Information

It is essential that you provide us with the following documents within the minimum time frame indicated:

- Tron technical questionnaire. **Three weeks** before arrival
- Your production schedule. **Three weeks** before arrival
- Company members contact details. **Three weeks** before arrival
  
- Lighting plan and ground plan. **Two weeks** before arrival.
  
- Risk assessment paperwork. **One week** before arrival.

**Your contract will provide you with information on potential extra costs for your production.  
Please note the points on charges for pre-rigs and extra sessions etc**

We look forward to hearing from you and to your visit.

Many Thanks

Dave Shea  
Head of Production
