Wifi	There is public wifi in most areas of the building. The Tron is not able to guarantee wifi access, online security or bandwidth. If you require internet for your show please contact the production dept.

P.A.T (Portable Appliance Testing)

All equipment brought into the Tron must have a current P.A.T (portable appliance test), including all wardrobe and cast related items.

In the event of equipment not holding a P.A.T or failing a visual check the Tron reserves the right to require the company to remove/replace/decline use of the item.

P.A.T. performed by the Tron costs £5 per item.
